Where we are:

We have ample parking and are on the number 1 bus route from Bristol City Centre and a 7 minute drive from Shirehampton station, with connections to Bristol Temple Meads.

The Avon Riding Centre for the Disabled helps 300 people with disabilities to build strength, confidence and skills through horse riding.

Our operation costs £345,000 to run for a year. With £190,000 coming in from charging for riding lessons, we need to make up a shortfall of £155,000. All fees from room hire go directly to help us to deliver our service.

To book, download a booking form from www.avonridingcentre.org.uk/facilityhire and email it to centreadmin@avonridingcentre.org.uk or phone Louise on 0117 595 0266
