Avon Riding Centre for the Disabled is home to over 25 horses and ponies of all shapes and sizes.

They all have their own quirks and personality and provide a special experience to over 200 people every week.

To look after a horse or pony at the Centre is a very costly business, but worth every penny.

Providing regular veterinary treatment, dental and hoof care, correctly fitting saddles and bridles, feed, hay, bedding, and daily care from our dedicated grooms cost nearly £4,000 for each horse and pony every year.

By becoming a Sponsor you will help us to continue to provide this quality care which will ensure our horses and ponies lead happy and healthy lives.

Why not sponsor the horse or pony that you ride at the Centre?

Surprise a friend or loved one with an unusual Birthday or Christmas present!

Been fundraising? Show off the results with a special Fundraising Sponsor pack.
