About us....

Since 1983, we've been helping disabled people in Bristol to be stronger, feel more confident and have a real sense of belonging!

We provide therapeutic riding lessons to 170 people every week. They're aged 4-74 and have a mixture of physical, learning, social and sensory difficulties.

One of our riders' parents wrote:

A riding lesson at Avon RDA may 'only' be 1/2 hour a week, but that 1/2 hour can be so special to our riders. It promotes a sense of independence, achievement, pride and of course sheer joy. It's something that's looked forward to all week, talked about to anyone who will listen and creates memories that lasts years. To our riders, a lesson is anything but 'only' 1/2 hour.
